

As we continue the process of building Sawubona House in Winderemere, we invite you to join us in day and night prayer, contending for the release of a healthy and thriving community according to Isaiah 65:17-25. Therefore, join Apostle Dr. Shelley in praying that within KZN

- There is joy (v. 18);
- There is an absence of weeping and crying (v. 19);
- There is no infant mortality (v. 20);
- people live out their full lives (v. 20);
- people will build houses and live in them (vv. 21-22);
- There is fulfilling and meaningful work (v. 22);
- There is confidence that the next generation will face a better life (v. 23);
- people experience the blessing of God (v. 23);
- There is intergenerational family support with family structure intact (v. 23);
- There are rapid answers to prayer (v. 24);
- Violence is absent (v. 25).
